

Gloucester Online Beach Parking FAQs:

How do I reserve a parking space at Good Harbor Beach, Wingaersheek Beach, or Stage Fort Park?

Non-residents are required to reserve a parking space on the City of Gloucester's Yodel website for parking at Good Harbor Beach, Wingaersheek Beach, or Stage Fort Park. You can book your parking space up to 10 days in advance.

Once on the Yodel website, you will be prompted to create an account or log in with Yodel. You will then select the date, category, automobile type, and beach for your visit from the listed options.

You will need to enter the following vehicle information:

1. License Plate Number
2. State

Then you will head to checkout and enter your payment information.

How will I know I have completed my reservation?

You will receive a confirmation email once your reservation is complete.

You can download the Yodel app on your phone and log into your Yodel account; this app will sync with your reservation and serve as a wallet.

Can I print my reservation to check in at the gate?

You can also print the confirmation email for your reservation to present at the beach parking gate for entry.

How will parking attendants check me in at the gate?

The parking attendants will scan either the printed reservation or QR code from the Yodel app for entry into the parking lot. Please be sure to have your reservation ready at the gate.

Can I pay cash at the gate?

Cash will no longer be accepted at the gate to pay for parking. Reservations will be required to enter the parking lot.

What if I arrive without a reservation? What is the day of policy?

Non-residents are required to have a reservation to enter the parking lot. You can check the Yodel website upon arrival and try to make a reservation if a parking space is available. If a parking space is not available, you will be turned away at the gate.

Cash will no longer be accepted at the gate to pay for parking.

Are reservations refundable?

Reservations are non-refundable, so visitors are encouraged to plan accordingly for weather or other circumstances.

What if I have a rental car or don't know my license plate number?

You are required to complete the license plate field to finish your reservation. You can enter any characters to fill the field and return to your reservation later to correct the information once you confirm your license plate number.

If you do not update the license plate number, please be sure to download the Yodel app and present the reservation QR code at the gate to check-in.

Are parking spaces guaranteed for non-resident beachgoers?

Yes, parking spaces are guaranteed for non-residents with beach reservations.

Non-residents with reservations can arrive at any time between 8:00am and 5:00pm. They can also leave and return to the beach parking lot on the day of their reservation; this has been an existing policy.
